25X1 5. [] Advised Mrs. Krol, in the office
25X1 of Representative Peter Frelinghuysen, that review of the employment
application of [] did not indicate anything unusual in the
fact that he had not been employed by the Agency. He was one of many
applicants for a limited program (JOT) and for all practical purposes,
better qualified individuals were selected. Mrs. Krol indicated she would
give the message to the Congressman upon his return next week and that if
he had further question she was certain he would call us.

25X1 6. [] Advised Bob Michaels, House Defense
Appropriations Committee staff, that sections 2 and 3 of Part II, DOD
testimony before the Subcommittee have been reviewed and we have no
comment. This comprises pages 99BBX-Lino through 14-Lino-NOV and
15-Lino-NOV through Lino-WAAC-31. This completes review of trans-
cripts and page proofs furnished the Agency to date.

25X1 7. [] Hand-carried to Representative Joel
Broyhill a letter from the Executive Director inviting the Congressman
to visit the Agency.

9. [] Met again with Representative John O.
Marsh regarding his interest in the NTS and Radio Free Russia. I
advised Mr. Marsh that the NTS was, of course, well known to us and
we were also aware of the Radio Free FRussia program which had been
developed by NTS. I indicated that Sterling Cottrell, in State Department,
has expressed some interest in Radio Free Russia and suggested that
Mr. Marsh might wish to contact him. Mr. Marsh thanked me for this
information and said he would pursue the matter with Mr. Cottrell.
